MEMORANDUM FOR: All Federal agency Heads

FROM: Ron Johnson: Oregon Federal Executive Board

SUBJECT: U.S. Savings Bond 2000 Campaign

The U.S. Savings Bond Program has prospered for nearly 60 years with the support of leaders like you encouraging federal employees to purchase savings bonds through payroll deduction. The Department of the Treasury has launched the 2000 campaign, and asked the Oregon Federal Executive Board to remind all federal agency heads to share the latest information about savings bonds! The official web site is www.savingsbonds.gov.

All agencies should receive new Savings Bond materials from headquarters in the next few weeks as most organizations conduct their employee campaign in May! This year the local Treasury office representative will not be conducting an inter-agency training session in the Portland area. Therefore, your promotion of the Treasury web site and distribution of savings bond material will be a vital part of the communication process with your employees.

Thank you for supporting this important program.

If you have questions or need local assistance for your staff, please contact Dan Carkonen in the Portland Savings Bond office at 503-326-3008. Dan's FAX number is 503-326-3009. Remember to encourage employees to use the Treasury web site for key details.

Thanks again for your help!
